

Dear Presidents, delegates and members of the National Associations for Supervision and Coaching in Europe

The ANSE board has held its 42nd meeting following the Grundtvig project group meeting, in Zürich, March 28th 2010.

At first ANSE board would like to say thanks to BSO and the coordinators of the Zürich meeting, Beatrice Conrad and Guido Baumgartner, for the great hospitality, the warm welcome and the excellent organizational work they have done.

We are informing you about the main and the new topics discussed here, together with the important dates for the next events.

1. **GRUNDTVIG meeting** finished up successfully thanks to the members of the project group. After presenting the project and all member associations, the project group organized the “world cafe” with BSO members about six main diversity dimensions. The discussion was fruitful and helpful thanks to our Swiss colleagues. The content will be presented in the report at the final Grundtvig conference in Vienna, June 25th 2010. You will find the invitation and the program on the ANSE website in two weeks. Trainers and supervisors from all member associations are invited.
